The Entertainment Center

Jordan and Nathan built a sunken entertainment center. When the tide rose, Steve and Winslow pitched in to try to preserve it.

The battle in defense...

...but the tide cometh.

The defenses preserved it through the night, but it filled with water on the next high tide.

Happy Birthday to Us!

Everybody got a present at the gift exchange. Heidi's breath was taken away by her flying pig... which Kayleigh wouldn't let her trade away.

There was time to chat in lovely surroundings... and Garrett created a great indoor Olympics for everyone.

And the winner is... EVERYONE!

Dad made handsome plaques for everyone and there were 6 special prizes awarded by drawing as we ended the week.
